JUNIOR SERVICE CLUB PLANS FUTURE PROJECTS

The Granite City Junior Service club held its regular executive board meeting Monday evening in the home of Mrs. Bernice Fitzpatrick, 2941 Wayne avenue. Mrs. Louis Kovar presided and a report was given by Mrs. Jean Ann Vrenick on a recent polio fund dinner.

A feast to be sponsored by the club in a parade at Collinsville, Ill. Plans for a fish and chicken stand, which will be operated at the Joyce Homecoming picnic, were completed. Arrangements were also discussed for the annual "Flea Market," with a tentative date of Oct. 3, set.

Other future projects of the club include a rummage sale in November. A discussion was conducted on a program currently being established for handicapped children in Madison county. Refreshments were served by the hostess to Mesdames Vrenick, Rena James, Jackie Spinks, Evelyn Morris, Eva Burns and Ruth Knecht, which Mesdames Lenzing and Kathy Obusek. The next meeting was scheduled for Monday, July 20.

THORNGATE GARDEN CLUB HOLDS FAMILY PICNIC

The annual family picnic of the Thorngate Garden club was held Tuesday evening in the park area of Sunny Dale Acres. The picnic dinner was enjoyed by the families of Mrs. Ida Han, felder, Mrs. Carolyn Moser, Mrs. Frances Williams, Mrs. Geneva Paul, Mrs. Evelyn Lee, Mrs. Yvonne Guth and Mrs. Clara Schilling.

Mrs. Guth invited the members to a breakfast and all-day fishing party to be held at her home Aug. 11 in lieu of the next regular meeting.

Trucker Charged With Driving Without Lease

Charles E. Bowers, 25, West Frankfort, posted \$55 bond at the Granite City police station Wednesday night following his arrest on Route 150 on a charge of driving a transport truck without a copy of the lease. The truck, according to police reports, is owned by Dini Oil Co. of West Frankfort and is under lease to Manzo Transport Co. of East St. Louis.

Honorary Committee Planned By Commission

The special four-member Mayor's Commission on Prevention of Old-age Literature met Tuesday night with Alderman Mrs. Gabrielle Betine, 2814 Madison avenue, to take further steps in securing persons to serve on a supporting honorary committee. Organizations from which representation will be sought include PTAs, church groups, news media, school board and service groups, among others. Mrs. Betine said the purpose is to provide the original four-member nucleus with support and approval of its policies and program.

Tax Suit, Buses, Gym Floor To Affect GC School Funds

Budget time has not yet arrived, but the Granite City school board nevertheless found itself juggling comparatively large sums of money during a semi-monthly meeting Monday night. Taxes, buses and gymnasium flooring were the topics.

Alleged item disclosed was \$25,578. This is the total amount of Granite City school taxes in 1958, \$25,578 for 1958, \$25,578 for 1959, \$25,578 for 1960, \$25,578 for 1961 and \$25,578 for 1962.

He said Circuit Judge James O. Monroe Jr. may hand down a decision about Aug. 1, but which ever side wins, the school board indicates there may be no final decision until 1965. "When it comes to the \$25,578, we will get depends on the action of the courts," Johnson commented.

State Seeks To Rid Area Of Noxious Weed

An appeal to appoint a county weed-control commissioner was made to the Madison county board of supervisors meeting Wednesday morning in Edwardsville in an effort to eliminate Johnson grass, a noxious weed, in Southern Illinois.

It was made by Robert DeNeal of Harrison, representing the Illinois Department of Agriculture, who said the weed has been outlawed by the state as it has a damaging effect on crops.

DeNeal said the law provides for counties to appoint a commissioner to serve under supervision of the Agriculture Department and that annual reports would be required.

It was determined that several townships in the county have weed control commissioners who may draw a salary of \$20 per day. DeNeal said that state law limits county commissioners to \$10 per day.

Accident At Post Office

A car driven south on Madison avenue at 11 a.m. Tuesday by William P. Stover, 2716 Roosevelt avenue, slowed for a car attempting to make a left turn into the post office. When Stover tried to swing around the car in front, he was struck by another auto driven by Warren A. Stamper, 2904 Edwards street, and police were notified.

Falls Injure Several Quad-City Youngsters

Falls predominated in mishaps treated Wednesday at the St. Elizabeth Hospital emergency room, with treatment for abrasions given to Billy Champion, nine, son of Mr. and Mrs. James Champion, 1324 Madison avenue, who fell off his bicycle.

Also involved in a bicycle accident was Keith Forshee, nine, son of Beryl Forshee of Glen Carbon, who incurred lacerations on both legs when he was thrown from his bicycle into a creek.

While walking home from a show matinee, Allen Taylor, nine, son of Mrs. Alberta Taylor, 620 Main street, Venice, stumbled on railroad tracks, injuring his abdomen.

Bravo Gluck, 13, son of Mr. and Mrs. George Gluck, 3149 Davis avenue, was treated for a laceration on his head after being struck by a trolley. All were released following treatment.

Mrs. Pier in Hospital

Mrs. John Pier, 67 Broadway, Venice, wife of the Venice superintendent of schools, was taken to a St. Louis hospital this morning for examination and treatment of a recent illness.

'Thrillcade' to Perform Tomorrow Night at Track

Aut Sweden's "Thrillcade," an automobile and motorcycle stunt show, will appear at 8:15 p.m. tomorrow at the Tri-City Speedway near near Mitchell.

The show features top professional stunt drivers, female stuntesses known as the "Thrillcades," comics and circus acts. Admission is \$1 for adults and 50 cents for children.

True peace comes from the heart, so don't expect it to be established by police action.

THE MADISON COUNTY SPORTSMAN

By DON HASTINGS
County Conservation Officer

Get a plastic worm! This seems to be the best fishing advice this week. Fishing the shallows in early morning and six to eight feet deep water in late evening has been producing bass with plastic worms retrieved very slowly.

This type of fishing produced seven bass totaling 19 1/2 pounds for an Edwardsville fisherman at Schmidt's fee fishing lake just outside Edwardsville on Route 159 (old Route 121). The largest was 6 1/2 pounds which is an excellent bass in any league. Live crawfish played on a slack line and allowed to crawl on their own have also been producing bass. Care must be taken in putting them on the hook so they are not injured too seriously and can crawl backward without snagging the hook.

Reports of many broken lines have also come in from the Jason fee fishing lake near Kellie Station east of Edwardsville. Included in their stocking for the recent opening were some large channel cat and carp and some of the fishermen have not been prepared for the size. One good fisherman last week. One good fisherman last week. One good fisherman last week.

The first of the hunting season will shortly be upon us. Squirrel season for the Southern Zone (which includes Madison county) will open on Saturday, Aug. 1, and close Oct. 15. In the Northern Zone it will open on Sept. 1st and close on Oct. 31. Hours in both zones will be sunrise to sunset and daily limit is five.

Bad Pursley won the fender-bender feature. This Saturday's lineup includes a 50-lap feature for super-modifieds and a "Dout" race for the fender-benders.

Inter-City Meeting Here
A meeting of the Southwestern Illinois Inter-City Baseball League will be held at 8 p.m. tomorrow at Grand Pointe Tavern, 1400 Madison avenue, with the Mercer Funeral Home team as host.

How Hunting
This will be the first time that deer will be open for hunting in Madison county with a bow and arrow. Shotgun deer of course will not be permitted.

Since the season is a long one in comparison, Madison county bow hunters stand a good chance to get their deer.

The season will open on Oct. 1 and close Nov. 15. It will reopen again on Nov. 29, it will close again on Dec. 31. These dates are necessary to allow for the final season and some of the upland game hunters to reduce the number of hunters in the field.

There is a sufficient amount of deer now in the county to have good hunting for the limited number of bow sportsmen. Applications are available at no home in Edwardsville and must be sent in to Springfield to obtain a permit.

With the approaching hunting season goes the reminder to handle your guns safely. An accident the past week on Pointe near Edwardsville caused a leg wound from a .22 rifle when the semi-automatic weapon fired while being unloaded.

It is well to have any gun barrel pointed away from yourself or anyone near while loading or unloading, and once in the auto it should be put in a case or broken apart so it cannot be fired.

*Played on tie.
Granite City's Post 113, with no chance at winning the American Legion 22nd District baseball title, ends its season at 6 p.m. tomorrow against O'Fallon at the Granite City high school diamond.

The Post 365 McMackins of Collinsville won the Northern Zone crown Tuesday night by defeating O'Fallon 6-1. Collinsville defeated Granite City 5-3 last week to take over first place after the local team had led through most of the season.

Manager Knoble "Slack" Thompson made changes finished with an 11-3 record which puts them two games ahead of both Granite City and Edwardsville, both with one contest to be played.

A tie game with Maryville earlier in the season will not be played off by Collinsville. The McMackins meet East St. Louis' Post 53 Cardinals, Southern Zone winner with a 4-3 victory Monday over Belleville, in a best two-of-three district playoff series.

The first game will be played tonight at Collinsville's Fletcher Field, and the second at 2 p.m. Saturday at ones Park, East St. Louis. A third game, if necessary, would be played Sunday, with the location determined by the flip of a coin.

The 22nd District champion moves on to the Fifth Division tournament July 24-25 at Marysville, Mo. From there, the aim is to reach the state finals at Watke, the national regional at Ashland, Ky., and finally, the Legion World Series at Little Rock, Ark.

Bill Meyer Takes
4th Straight First
In Stock Feature
Bill Meyer of Wood River won his fourth straight feature race for super-modifieds cars Tuesday night at Tri-City Speedway.

The race was postponed from Saturday due to rain.

Meyer, who led Johnny Meyer and Art Pauley to the wire in the main event, was also the night's fastest qualifier and won the first heat race. Johnny Meyer, a Deaturer driver, also won a heat race and the semi-finals.

Runyon also won a heat race and the handicap event for the six fastest qualifiers. The first heat race winner was Kenny Range.

Bad Pursley won the fender-bender feature. This Saturday's lineup includes a 50-lap feature for super-modifieds and a "Dout" race for the fender-benders.

14 Enter Slow-Pitch Tourney

Fourteen entries have been received so far for the 16-team Illinois Amateur Softball Association's second annual state slow-pitch tournament here, according to Harold Brown, Granite City's ASA representative.

Among the entries is Polish Hall of Madison, winner of the first event held here last season. The team went on to the national tournament at Jones Beach, N. Y. This year's state champion will move on to the national meet at Springfield, Ohio, over the Labor Day weekend.

Brown said the Quad-Cities, believed to have more slowly-counted than any other community in Illinois, has 10 teams entered to date.

They are Polish Hall, Sportsman's Club, Spengler-Dawes, Liberty Home, Kirschner-Madison Bowl, Lincoln Place, Enrie & Annie's, Union Parish, Buzsanyi and a team to be made up of players from three Lutheran Church ball clubs.

Four other teams will travel here from Urbana, Peoria, Alton and East St. Louis. Brown said he has been holding the remaining two spots for any additional out-of-town teams. If none enter, Quad-Cities team will probably complete the tournament.

Chief supporter of the tournament is softball enthusiast Richard Neumann, who announced ASA trophies for the Aug. 14-16 Wilson Park affair are on display at First Granite City Savings & Loan, 1824 Second avenue. The tournament will be single-elimination, in contrast to last year's eight-team, double-elimination meet.

Richard Eccles of Alton, vice-president of the ASA in Southern Illinois, will be the top official for the tournament, Brown said.

Also scheduled for Wilson Park is the ASA Class B regional fast-pitch softball tournament slated Aug. 2. Teams entered are Granite City Steel Credit Union, Kirschner-Madison Bowl, Spengler-Dawes, Union Electric and Union Station. Brown expects no additional entries. The regional champion will advance to the state Class B meet at Macomb.

The sixth annual Granite City park district slow-pitch invitational tournament will be held here over the Labor Day weekend.

JHS Principal Builds Sailboat —Yep, It Floats

Yep, it floats—and "beautifully" according to Donald Purkape, principal at Madison junior high school.

He was referring to the 15-foot, three-inch sailboat that he and his family have been building at home during the past two years. Work on the craft was recently completed and initial tests at Grand Marais State Park Lake, East St. Louis, indicated the work was well done.

"Actually, the working time took only about a month-and-a-half, figuring an eight-hour day," Purkape said.

Purkape, with the aid of sons, Steve, 16, Dave, 15, and Jim, 13, built the sailboat in a small house at the rear of their home, 1824 Second street, Madison.

"Everyone, and I mean everyone, who stopped by to see it said we'd never get it out the door," the amateur boatmaker said, "but we made it with a foot to spare."

The boat has a main sail of 78 square feet and a jib of 27 square feet.

Why did he build it? "I just wanted a boat, but racing up and down the river in a motorboat didn't appeal to me at all," Purkape says. "I am just learning the fine points of sailing and have no plans to use it for racing—only pure pleasure."

Granite City Teams Meet I-C Tailenders

Both Granite City teams in the Southwestern Illinois Inter-City Baseball League meet the cellar-dweller of the opposite division in 2:30 p.m. games Sunday.

Sacred Heart, second-place club in the Red Division, encounters Blue Division tailender Altonwood at Wilson Park, Mercer Funeral Home, one of three contenders for the Red title, visits Maryville of the Blue loop.

In previous meetings this season, Sacred Heart stomped Altonwood 11-0 and the Mercers smashed Maryville 15-3.

While the Hearts, who trail Collinsville by a distant four games, had played with a long-range outlook, the Mercers stand to reap immediate benefits with a victory at Maryville.

Only 1 1/2 games separate defending league champion St. Clair Heating of East St. Louis, Peabodias and the Mercers, by winning the locals can only gain—regardless of the St. Clair Peabodias outcome.

If St. Clair wins, the Mercers could recapture second place and still be 1 1/2 games out. If Peabodias wins, the Mercers could move to within a half-game of the lead with the other two teams in a virtual tie, for first.

Peabodias' Braves last Sunday became only the second team to beat Collinsville, and are entirely capable of a second upset.

The club's annual fall festival, scheduled Sept. 12 at the Belle Vista grounds, was discussed with a report from all committee members. President William Norris presided, with 100 members present.

New Belleville School Names Two Head Coaches
Two head coaches—Jerry Koehler in basketball and Max Hamilton in football and baseball—have been named at the new Althoff Catholic high school, Belleville, successor to Cathedral high school.

Koehler, assistant coach at Cathedral, replaces Brother Adrian James, who was transferred from Cathedral to a Chicago school. Hamilton held the job at St. Lawrence, a Catholic school in St. Louis, which closed this spring. The new school will replace the old "Cathedral" and the blue-and-gold colors of Cathedral.

Tavern Games Sunday
Three games are scheduled for 10:30 p.m. Sunday in the Tavern Softball League. Polish Hall meets Lakeside Inn at the Third street Tavern, "Tavard" and Tony & Joe's on the 12th street diamond and Sportsman's Club takes Liberty Home at Lee Park.

Classic Game Ends in 13th With 8 Runs

Inning No. 13 was the lucky one Tuesday night for Spengler-Daves players, who scored eight runs and defeated the Granite City Steel Credit Union 9-1 in a Classic League fast-pitch softball marathon at Wilson Park.

Both teams scored single runs in the fourth inning and then went scoreless through the next eight innings. In the 13th, Spengler-Daves pounded nine hits in scoring the eight tallies.

The safeties were a triple by Jack Saitch, doubles by Grant Talmajian, Bob Hoffek, Bill Scarsdale and Dan Reilly, and singles by Bill Baldwin, Hoffek, Scarsdale and Reilly. Thirteen men paraded to the plate before pitcher Jack James could retire the side.

Carroll Tingley went the long distance for the winners, allowing eight hits and striking out 10. The only Credit Union run came in the fourth on George Cook's single, a sacrifice by John Draper and Bill Crabtree's double.

Mathews Defeats Gillespie 13-4; Two Slug Homers

Roger Smith and Leon Chappell homered last night at Wilson Park as Mathews Chevrolet defeated Gillespie 13-4 in exhibition softball play. One nine-inning game instead of the scheduled pair of seven-inning contests was played.

Smith's second-tripper came with two on and two out in the third inning while Chappell's started the fourth inning. Smith later stroked two singles in a 3-for-5 night and Chappell went 2-for-5.

Jack Hinterser, Dan Reilly and Marv Brokaw had two hits each for manager Bob Stegmeyer's squad, which raised its season record to 19-20.

Gillespie snapped up a 2-0 lead in the first inning but Mathews took the lead in the third with four runs and gradually piled up a lead. Initial Gillespie scoring came on Bill Farmer's home run.

Ray Hoffman and Carroll Gleson combined for the victory, allowing seven hits.

Mathews plays Miller & Mackey's, also of Granite City, Saturday night and Moezelle-Thurner on Sunday night, both in 7-30 twinnings at Wilson Park. The Moezelle-Thurner date is a Bi-State League affair.

OKLAHOMA GUESTS VISIT MOORE FAMILY

Mr. and Mrs. Ira Brown and children, Charles and Carol, of Ponca City, Okla., spent the past week visiting friends and relatives in this area. While here, they were house guests of Brown's brother-in-law and sister, Mr. and Mrs. Wilbur Moore, 3007 Fifth street.

A dinner party was given at the Moore home Sunday, attended by Brown's mother, Mrs. Jennie Brown, and Misses Margaret and Hattie Brown and Mr. and Mrs. Harry C. Smith of Ellis Grove, Mr. and Mrs. Robert Smith and daughters, Pamela and Sharla, of Belleville, and Mr. and Mrs. Raymond Carter and Mr. and Mrs. Henry George Allison and daughter, Dorsey, all of St. Louis.

The visitors left Monday for their home in Oklahoma.

FOURTH BIRTHDAY PARTY HONORS NICKY WARGIN

Nicky Wargin who became four years old Sunday, was honored at a birthday party given by his parents, Mr. and Mrs. Nick Wargin, 919 Grand avenue.

The guests arrived at the home at five to spend the evening hours. Mrs. Evelyn Thompson, mother of the honoree, made a special birthday cake which was served with other refreshments.

Among the guests were Mrs. Julia Voloski, the godmother, Mrs. Miriam Ozanich and daughter, Carolyn, Mr. and Mrs. Leo Poznanovich and son, Michael, Mrs. Kate Jackowski, Mrs. Walter Kaminiski, Mrs. Loretta Feurka and sons, Pete and Nick, Mrs. Pat Bokjowski and children, Donna and Tony, Michael Peter Slundrich, Larry Wargin, the godfather, and Donna and Cathy Wargin, Mrs. Donald Maers and daughter, JoAnn and son, Johnny.

Games were played, with prizes awarded to Donna Bokjowski and Michael Poznanovich. Each child received a story book as a favor. Many gifts were presented to the honoree.

MRS. MRS. GRIMES MARK 25TH ANNIVERSARY

Mr. and Mrs. Lester Grimes celebrated their 25th wedding anniversary Sunday. They were married July 12, 1888, in St. Louis. Mrs. Grimes is the former Lorraine Ashby.

The celebration was held in the home of Mr. and Mrs. Willie Stover, 2718 Nameoki road, son-in-law and daughter of the Grimes.

The family got-together was enjoyed by Mr. and Mrs. Virgil Grimes, Mrs. E. Grimes, Mr. Lester, Mr. and Mrs. Mike Grimes and son, Joseph Allen, Tom Grimes, Ted Gibbs of Edwarsville and Phillip, Susan, Sally, Jeannene, Becky and Alice Grimes, sons and daughters of the couple. Gifts of silver were presented to the couple.

MRS. JAMES HOSTESS FOR CIRCLE MEETING

The Elizabeth Borch Circle of the First Baptist Church met Tuesday afternoon in the home of Mrs. Ora James, 1669 Second street.

Mrs. Pauline Pinkley, president, presided over the meeting, which was opened with prayer by Mrs. Kenneth McDaniel. Special prayer for missionaries was offered.

Mrs. Mary Link read a report of the previous meeting, after which Mrs. Link suggested making a sunshine basket for Mrs. Irvy Wood, a patient in St. Elizabeth Hospital.

Those taking part were Mrs. Della Garrett, Mrs. Doris Macklin, Mrs. Hilda Jackson, Mrs. Pinkley, Mrs. James and Mrs. McDaniel.

VICKI THOMPSON NAMED NEW GA PRESIDENT

500 Hear Outdoor Concert: Golden Age Program July 20

The fourth program in the "Music Under the Stars" summer concert series will be presented Monday, July 20, at 8 p.m. at the 27th street and Delmar avenue entrance of Wilson Middle School, a barbershop quartet, the third concert Tuesday night.

The series is under the direction of Warren G. Simpkins, is sponsored by the Granite City park district. It is open to the public without charge.

Next Monday's concert, "Musical Memories" will be presented by the Music Under the Stars Chorus and will feature the Med-Couns, a barbershop quartet from Wood River; Howard Wallace, a 15 year old tap-dancer from Prather Jr. high school; Alice Worthen, soprano soloist; and Ray Willie, tenor soloist.

Simpkins has also added the "Sing Along" because of the favorable response. Jack Johnson will accompany the organ.

Some of the music that will be performed during the evening will be: "Denise," arranged by Lodyen; "Let's Take an Old-Fashioned Walk" by Irving Berlin; "Meet me in St. Louis," arranged by Jack Best; "Cruising Down the River," arranged by Sticks; "Bye Bye Henderson"; "Let a Smile Be Your Umbrella," arranged by Simpson; and "A Lovely Day Tomorrow" by Irving Berlin.

The concert will be in honor of "Golden Age," senior citizens of Granite City and surrounding areas.

Final concert of the season will be given July 28 at 8 p.m., and it will feature "Fun for All." It will feature all the participating groups in the summer program, including fifth-sixth grade, seventh-eighth-ninth grade and high school choruses and the Music Under the Stars chorus.

The Tuesday night concert, rescheduled from July 8, included a program of great music and two 16th century madrigal songs.

Those featured were: "I Love, Rose Humphrey," Mrs. June Branding, Keith Curtis, Richard E. Stuart, Howard M. Robert Berry, Karen Brown, Victor Strake and Diana Jo Thuis.

Raises For School Administrators: Percentage Basis

A new salary schedule for Granite City school administrators was set at Monday night's school board meeting. Pay increases will be 3 to 5 percent each year were provided for the next two years, and further increases are scheduled for some over a five-year period.

Agreement on the pay scale was reached by board members after amendments were made to an original proposal submitted by Russell D. Johnson.

Under the percentage-above-base pay plan, some administrators will receive the maximum increase, while new administrators will not immediately receive the maximum increase. Amounts are listed for one to six years of experience. The limit of a 575-per-month increase applies to all but those placed in different jobs.

Educational Service, Duties

The percentage raises will be 110% to 160%, except for the superintendent.

Total salary takes into consideration the individual's educational qualifications and years of service (which determine basic teaching pay) and the number of duty hours involved in each position as well as the type of responsibility.

The new schedule, the superintendent stated, was determined after extensive surveys were made of administrative salaries on state and nationwide basis.

Supt. Johnson previously stated that with the new salary scale, Granite City school administrators will be between the highest and the lowest recorded in the survey made of other school districts.

\$18,000 For Superintendent

An \$18,000 annual or \$1500 monthly salary was approved for the new superintendent of schools, who succeeded Dr. Harold M. Kaiser on July 1. At the time of his resignation, Dr. Kaiser was receiving \$17,000 plus \$1000 car expense.

Supt. Johnson previously stated that with the new salary scale, Granite City school administrators will be between the highest and the lowest recorded in the survey made of other school districts.

Wilshire Manor Group Appeals Zoning Change

The Wilshire Manor Civic and Improvement Association has filed an appeal to Madison county board of zoning appeals to reverse a ruling of the Madison county board of zoning appeals to change the zoning of the Wilshire Manor building into residential use.

The association, headed by Michael Ropac, president, asserts the change could affect the value of homes in the subdivision and its future development and might cause added traffic congestion in the neighborhood.

In calling for the judicial review, the association asks either for a reversal of the ruling or for an order remanding the case to the zoning board for further hearing. The change has been approved by the Madison county board of supervisors, where the objectors also were heard.

\$20,000 Drapshop Suit Filed In Traffic Death

A \$20,000 drapshop suit was filed this week by James Stuart, administrator for the estate of the late Richard E. Stuart, against the operators of three taverns.

The complaint alleges that Richard Stuart was served alcoholic beverages at the Washington tavern, operated by Frederick Ybarra of Granite City; Mel's and Edith's tavern, operated by Edith Cleman of Alhambra; and the Home of the Blues tavern, operated by Hazel Adams of Granite City. The operators were named defendants.

The complaint further alleges that Stuart, father of four children, became intoxicated before his auto struck a utility pole last Feb. 9 in Madison, causing fatal injuries.

SITE OF NEW PLANT includes these three buildings of the Granite City Supply Co. property at 21st street and the Illinois Terminal tracks. The buildings and 75,000 square feet of ground are being purchased by Young & Greenwald Co. of East Chicago, Ind., operators of four other steel fabricating plants. Principal product is steel culvert pipe. There are switching tracks at the rear of the buildings, and machinery and equipment are to be moved in next week. In the right background is the Nestle plant. (Article on Page 1.)

SALVATION ARMY YOUTH group pauses Monday afternoon during a tour of the Press-Record to inspect the newspaper press and other equipment. Miss Joyce Whittle (near the center) leads the 15 youngsters, aged five to ten, who are part of a summer youth program sponsored each year by the Salvation Army in cooperation with the Granite City park district.

Sought for Assault After Hitting Child
A man who struck a three-year-old girl Tuesday afternoon after he was unsuccessful in obtaining information from her about "hidden money" is being sought by Venice police.

A warrant charging assault was issued against the man on complaint of Mrs. Ella Patterson, 606 Slough road, the child's aunt. Mrs. Patterson said the man came to her home while the child was alone and questioned the girl about money that her aunt might have hidden in the house. The girl told him there was none and the man struck the child, Mrs. Patterson said. The man then ran off with the child, taking a quantity of men's and women's clothing.

Driver Charged With Using Expired License
One automobile was damaged and its driver was arrested on a charge of driving with an expired license as the result of a collision of two cars at Third street and Cambridge avenue in Madison Tuesday at 6 p.m.

Police said cars driven by Harold J. Henry, East St. Louis, and Leroy Lowrey, 2201 Terminal avenue, collided. Henry told police the crash occurred as he turned into the right lane to go around a truck, which was making a left turn off Cambridge. Henry reported no damage to his car. Lowrey was charged with the driver's license violation.

Mother of Mrs. Engelle Dies in Collinsville
Mrs. Ada McCormick, 88, Collinsville, mother of Mrs. Wilbur (Georgia) Engelle of Granite City, died at 7:55 p.m. Tuesday at the Memorial nursing home, Belleville. A native of Germany, she had been ill for the past three years.

She is survived by three daughters, a son, a sister and a brother. Her husband, Wilbur, died in 1951. Services will be held at 1 p.m. tomorrow at Collinsville.

Retired Union Men To Name Board, Discuss New Center
Enthusiastic response to a survey to determine interest in a retired union members' organization was reported for the AFL-CIO Community Services Committee, in calling a meeting of those concerned for 9:30 a.m. Saturday at the Labor Temple.

The proposal for an informal organization to provide a center where retired persons can drop in, watch TV, develop mutual interests and meet friends was advanced this spring by a survey committee of Dale Skeen, James Kelahan and Edward A. Hagauer, Community Services director.

All retired union members in this area were queried by mail to determine interest in such an organization, with many affirmative answers and suggestions received.

Want To Keep In Touch
"Many men have told me of their desire to keep in touch with former fellow employees," Hagauer said. "When the proposed center gets rolling, we can provide services, such as social security conferences and others, of direct interest to this growing group."

The direction of the proposed center would be in the hands of the participants themselves. Services for senior citizens have grown in recent years, but specific activities for retired union members have received little emphasis.

All prospective participants are being asked to attend Saturday to assist in appointing an initial board of directors.

Horse Show is Topic Of GC Rotary Meeting
The Granite City Rotary club meeting at noon Tuesday was devoted to progress reports on plans for the annual Rotary Horse Show, to be held at the Tri-City Speedway Sunday, Aug. 30. President, Glenn Abernethy, presided.

J. E. Moody said publicity will emphasize the actual nature of much of this year's show, in which jumping horses will perform for the first time. Other reports were given by Loren Davis on sponsors, Edward Meng on publicity and Arthur Koepfer on ticket sales.

New Rotarians introduced at the meeting were Herbert Frencher, Carl Speking and Dr. Walter Heitke.

OPEN HOUSE HONORS

WEST COAST VISITOR

Mrs. Lucy Harris of Los Angeles, Calif., accompanied by her granddaughter, Kay, is presently visiting relatives in Granite City for the first time in 18 years.

On Sunday afternoon, Mrs. Harris was the guest of honor at an open house held in the home of her brother and sister-in-law, Mr. and Mrs. Charles Perigen, 2428 Illinois avenue. A great-niece, Miss Carol Sue Stengel, presided at the punch bowl and the sisters of the honored guest served at the luncheon table.

Mrs. Harris is planning to visit other relatives and friends in Tennessee next week, later returning to Granite City to continue her vacation. The visitor is the sister of Mrs. Glen Chaboult and Mrs. Walter Blythe, both of Granite City. Mrs. Paul Renold of East St. Louis and Walter Perigen of Collinsville.

Mr. and Mrs. Harold Reutzel and daughter, Nancy, and Mrs. Evelyn Smith of Granite City were in Highland, Ill., Sunday to visit the Baptist mission, where their brother, Rev. Paul Harper, is pastor.

RETURNS TO CAMP

Kurt Isbrecht, stationed at Camp Pendleton, Calif., left the first of the week for San Diego after spending a furlough in Granite City.

TWO WEEKS HERE

Mr. and Mrs. Darrel Smith and daughters, Donna and Tobie, have returned to their home in Atlantic Beach, Fla., after spending the past two weeks with his parents, Mr. and Mrs. Ogilvie Smith of Cayuga street.

and other relatives and friends here and in Jonesboro, Ill.

VACATIONING

Mr. and Mrs. James Darden and children, Diana, Danny, Beverly and Jackie Sue, of San Diego, Calif., are vacationing in Granite City and Mt. Carmel, Illinois.

MISSIONARIES DISCUSSED

AT SUNBEAM MEETING

Virginia Wingo, six-year-old Sunbeams of Second Baptist Church met with their leader, Mrs. Betty Lewis, Tuesday afternoon at the church.

The group made coolie hats and heard stories on a missionary family in Hong Kong. Pictures of missionaries were displayed and the program concluded with prayer by Debbie Davis.

Plans were made by the children to participate in a quarterly meeting of the Women's Missionary Union to be held at 7:30 p.m. Thursday at the Second Baptist Church.

Those present were Ricky Abner, Nancy Sanders, Marie Smider, Debbie Carmichael, Debbie Freeman and Ann Snyder. Guests at the meeting were Di-set at \$5000.

FAR EAST TOPIC

FOR SUNBEAMS

Mrs. Beverly Crown and Miss Bonnie Finnell met with children of the Evelyn Owen seven-year-old Sunbeam group Tuesday afternoon. Miss Finnell told of work of Southern Baptist missionaries in the Far East, and the youngsters constructed hats from paper.

The meeting was closed with prayer. Among those present were Gail Lewis, Dennis Reynolds, Daniel McCluskey and Bruce and Cathy Crown.

Man To Face Grand Jury

On Charge Of Indecency

Edward Miller, 35, of 1331 Edgewood road, faced a preliminary hearing Wednesday on a charge of taking indecent liberties with a minor and was bound over to the Madison county grand jury by Magistrate Gasparovic.

He was arrested Monday by Granite City police. Bond was set at \$5000.

edible oils, refrigerated or pressurized gases, solvents and petroleum products. An access roadway was installed in the area last year.

Barron said cost of the railroad installation has been estimated at \$250,000. When completed, the lead tracks, along with all other rail facilities of the Port District, will be operated by Illinois Terminal Railroad under a contract negotiated early in June this year.

Owned By District
While the Port District will construct and retain ownership of the rail facilities on port property, all rail services will be performed by Illinois Terminal on a contract basis.

National Marine Service, under its lease, has a canal frontage of 500 feet. The Port District has leased 2000 feet along the canal harbor site.

At the time the lease was negotiated, it was pointed out that the Tri-Cities Terminal Division has been granted exclusive rights to handle liquid and dry cargoes which can be pumped, and has been given the franchise for packaging and bagging, canning and bottling facilities and for cleaning, painting and repairing barges and tank cars.

ings grade school area will be assigned to Central Junior High. Due to similar overcrowding at Emerson grade school, the boundary between Emerson and McKinley zones was moved a block westward at some points.

The appellate court in Mount Vernon has accepted detailed briefs and court records and brief verbal testimony relating to the disputed ownership of Coolidge junior high school and its campus. School Attorney Maurice Dailey reported. Decision on the school districts appeal is expected September or October.

Supt. Russell D. Johnson said Nameoki road widening plans will result in condemnation of a small triangular tract about 30x35 feet in size on the Nameoki-Peeling road corner of the Coolidge site.

Mecca Favors Plan On Seeking New Industry

The Metro-East Chambers of Commerce Association endorsed a resolution in connection with a unified approach to industrial development during a meeting Monday night at the Revere room at Collinsville.

Its aim is to "sell" industrial firms on locating here. Each chamber will retain its own independence in soliciting locations for its own area but, under the resolution, members agreed to refer any prospects to participating chambers when local sites under consideration are rejected.

Members agreed that location of a new industry at any site in the metropolitan area would be an advantage to all of the communities of the area.

It was announced by the committee that a regional brochure has been completed and a few copies now are available from Francis H. Harn, executive secretary of the Greater Alton Association of Commerce.

Consideration of the proposal for the development of a regional coordinating committee for planning was referred to a Mecca committee for further study.

William C. Krause, district highway engineer, said that at least one federal spokesman has told him that cooperation would qualify the region for federal funds in road building.

A central planning agency is required by mid-1965 if the area is to remain eligible for federal funds. It affects all communities over 50,000 persons.

4th Degree KC Picnic To Be Held On Aug. 9

The fourth degree assembly of the Knights of Columbus will hold its annual family picnic at the American Legion freedom farm near Belleville on Aug. 9, according to plans made at a meeting Wednesday night.

Plans also were discussed for participation in the 125th anniversary parade to be held by the city of Teutopolis on Aug. 2, and the closing of a novena at the Lady of Snows shrine on Aug. 5.

A series of social affairs, to include members and their wives, will be continued this year, according to Marvin Boyer, faithful navigator, who conducted a meeting. A new committee will be in charge of each event.

MRS. SCATURRO NAMED
SHOWER CHAIRMAN
Mrs. Shirley Scaturro will serve as chairman of a party shower to be given Sept. 23 for the sisters of St. Elizabeth's parish school. She will be assisted by Mrs. Marie Schoeber, who was placed in charge of decorations and refreshments.

THE AFFAIR IS BEING PLANNED
by members of St. Elizabeth's Altar Society and will serve to welcome the Sisters at the start of the new school year. Mothers of new pupils are to be introduced at the party, which will take place in the school cafeteria.

NAGLICH FAMILY
VISITS IN CALIFORNIA
Mr. and Mrs. Mike Naglich and children, Chris, Michael, David and Mark, 2545 Clark avenue, returned home Sunday from California, where they spent three weeks as guests of Naglich's parents, Mr. and Mrs. Paul Cicka of Antioch.

LOCAL COUPLE HOME
FROM EUROPEAN TRIP
Mr. and Mrs. Joseph Parnot, 1621 Lindell Blvd., returned to their home Sunday following a seven-week tour of Europe. The trip over was made on the S.S. France and they returned on the Queen Mary.

THEY VISITED ENGLAND, IRELAND, Germany, Switzerland, Austria, Italy, France, Monaco and Liechtenstein and returned July 7 to New York, where they spent several days.

NINTH BIRTHDAY PARTY
FOR DIANA SMITH
Diana Smith observed her ninth birthday Sunday with a party given by her parents, Mr. and Mrs. Jerry Smith, in their home, 1704 Breckenridge.

Table appointments were in pink and white and featured a ballerina centerpiece. Tiny ballerina figurines topped a decorated birthday cake. Games were played and prizes were awarded to Sandy Yates, Marilyn Stagner and Valerie Miskelley.

Other guests attending were Janet Shania, Susan Broun, Tim Manning, Kathy Richards, Sandy Brown and Susan and Judy Phillips. Mrs. Roy Phillips, grandmother of the honoree, assisted with the party.

BRIDGE CLUB MEETS
The Granite City Duplicate Bridge club met Monday evening at the Rose Bowl with Mrs. Helen Meyer as director.

First place went to Mrs. Al Barnes Jr. and Mrs. J. A. Grant; second place, Mrs. Paul Meyer and Mrs. George England; and third place, Mrs. Oscar Schmidt and Mrs. James Osterle.

Approximately 20 members were present. They will meet again July 20 at 10:30 a.m.

WEEKEND VACATION
Mr. and Mrs. Paul Summers, 2603A Madison avenue, Mr. and Mrs. Donald Murphy, 12886 Nieldinghouse avenue, and Harold Schmidt, 4752 Nameoki road, spent the weekend at Table Rock Lake, Mo., where they were guests at the resort-lodge of former Granite Cityan Ervin Browne.

HOME FROM HOSPITAL
Dennis Durbin, son of Mrs. Vyvyan Durbin, 1644 Venice avenue, was released Sunday from St. Elizabeth's Hospital, where he had been a patient for the past three weeks.

The 17-year-old youth, who underwent surgery during his hospital confinement, was graduated this year from Granite City high school and plans to continue his studies at the University of Illinois this fall.

Slight Changes Monday
In Express Bus Routes
Effective Monday, slight changes will be made in the Granite City portion of the Granite City express and Pontoon road express experimental bus routes. It was announced today by Transit Services Corp., managers of the Bi-State Transit System.

The Granite City express between Johnson road and Pontoon road will continue to operate via Nameoki road instead of the present route over Terrace lane, and then over the present route to downtown Granite City and St. Louis.

Afternoon trips will operate via Pontoon road, Vine Blvd., Maryville road, Lynch avenue, Vine Blvd. and Pontoon road, and then over the present route to downtown Granite City and St. Louis.

In addition, four trips will be added to Pontoon road to Pontoon Beach. These are the express and the shopper buses, leaving Pontoon Beach and Pontoon road at 7:30 a.m. and 9:37 a.m. respectively, and the shopper and the express leaving St. Louis at 2:41 p.m. and 5:15 p.m. respectively.

13th Opera Visit
Added to Schedule
Due to a heavy demand for tickets, a 13th bus trip to the St. Louis Municipal Opera is planned by the Granite City park district.

Harold Brown, director of parks and recreation, said the additional trip will leave at 7 p.m. Tuesday, Sept. 1, from Villa Wood, leaving "Sound of Music" which runs three weeks. The two earlier trips to the production have been sold out.

Next Tuesday's excursion, which leaves the park at 5 p.m., will include a bus-land and backstage tour of the opera. The 41-person trip has been sold out for several weeks. The show is "Milk and Honey."

Railroad Objection
Hearing to Extend
Into Next Week
Hearing of railroad tax objection cases which was expected to end Friday now appears certain to extend into next week. It was resumed in the circuit court at Edwardsville today, with the railroad scheduled to call a series of tax experts from California, Florida, Washington and Chicago.

Railroad attorneys resumed their presentation of evidence this morning after Burton C. Bernard, assistant state's attorney representing Madison county in the tax objection cases, completed his questioning of Leo Cohen, professor of economics at Northwestern Illinois University. Cohen has been on the stand at various times for the past week.

In Wednesday's hearing, Cohen testified that he had studied at least 10 sales involving railroad property, and that in all instances the assessed valuation of the property was lower than the sale price.

The railroads have tied up \$2,000,000 in taxes of 103 Madison county taxing districts with objections based on the contention that their property was assessed at 100% of "fair cash value," while other property in Madison county was assessed at a much lower ratio. As a result, the railroads claim a substantial refund for the years 1957 through 1962.

Charles Rock, former member of the Madison county board of review, during questioning by Bernard, said Wednesday that he considered industrial assessments in Madison county as being "low," but said he did not wish to give a "flat answer" to Bernard's inquiry as to whether or not he thought they should be raised.

Expert Witness
Railroad attorneys were scheduled today to call Broley Travis, former chief of the valuation section of the California Utilities Commission, as an expert witness on assessment ratios. Other

Crash At Intersection
Mary P. Siebert, 36 of 2511 Edison avenue, who drove her car into an intersection on Nameoki road after hitting at a sign at Johnson road, reported right rear damage from a car driven by Willie R. Selph, 54, of 5429 Maryville road, who had made a stop on Nameoki before entering the intersection at 2:50 p.m. Tuesday.

Attorneys for both sides expect to wind up all testimony sometime next week. Judge Monroe has indicated he will rule on the matter in August.

Boy Scouts to Mark Heritage Day Saturday

To celebrate American Heritage Day Saturday, Unihah district Boy Scouts will be holding camps, picnics, campfires and visits to historical sites.

Sponsored by the national council of Boy Scouts and the Freedom Foundation at Valley Forge, Pa., the program is designed to encourage scouts to understand and dedicate themselves to the principles of liberty which have become the heritage of America. Scout Executive Eugene Coe has explained.

The 44 local scouts attending the National Jamboree at Valley Forge will take part in special Heritage Day programs there.

Dog, Cookie, Parked Car Result In Emergencies

Patrick Hayser, 9, son of Buster Hayser, 1703 Bremen avenue, received emergency treatment at St. Elizabeth Hospital Tuesday evening after he was bitten on the face and chest by a dog.

Two other mishaps treated Tuesday involved Ronald Hill, 18-month-old son of Mr. and Mrs. Ronald Hill, 2777 Grand avenue, who was given stomach lavage after he ate a cookie which had been sprayed with insect repellent; and Antoinette Serrano, 10, daughter of Mr. and Mrs. Serrano, who injured her leg when she ran into a parked car on her bicycle. All three youngsters were released following treatment.

Governor Enthusiasm sets the pace, but it takes common sense to win in the long run.

Legion Post Installs, Public Ceremony Set

Joe Summers was installed as commander of Tri-City American Legion Post 113 at a meeting Tuesday at the post home.

Others installed were Edgar Horton, senior vice-commander; James Logue, junior vice-commander; Harold Summers, financial officer; Donald Short, adjutant; Hy Fabian, service officer; James Wilson, sergeant-at-arms; and Alex Ducini, chaplain.

Harold Summers was installed as sergeant-at-arms. Guy Cooper was elected as a trustee to fill the position vacated by Harold Summers. A public installation is to be held on July 25.

Short and A. Burt Harris reported on the fifth division command.

Accident Rulings On Matsdorf, Rogan Deaths

Madison County Deputy Coroner Henry Pieper Tuesday evening held inquests into three July 4 deaths. The deaths of Charley D. Rogan and Pic. Leo R. Matsdorf, injured fatally when their cars collided on Route Three a mile from West Ponton road, were ruled accidental, resulting from skull fractures and internal injuries to both men.

The death of James R. Smith, Fairmont City, an Alton and Southern Railroad engineer who fell from a truck ladder on Bend road, was due to traumatic shock, the jury ruled.

Careless Driving Charge

Farrell R. Converse, 42, of 2874 Washington avenue, was arrested at 10:25 p.m. Tuesday at 27th street and Madison avenue on a careless driving charge. A hearing was set for July 25.

Long Lake Volunteer Dept. Not Only Fights Fires But Builds Buildings

When a man joins the Long Lake volunteer fire department, he really volunteers—not just to fight fires, but also to build trucks, towers and buildings.

The non-salaried 21-man force has been using its leisure time since 1939 to build the department from a point of non-existence to a present one which rivals the more affluent departments in this area.

The most recent project of this "do-it-yourself" fire department is an L-shaped extension to its station at 4113 Pontoon road. The 2484-foot extension to the east side of the building is a sign of things to come—a new \$17,000 truck with a 750-gallon capacity is to be delivered in October.

In the rear of the building the department has also erected a 20x20-foot addition which will serve as a meeting room for the group.

Members of the department constructed the additions themselves, contracting only the brick and floor work.

Sell Property to Finance
Neither the new truck nor the extensions will mean an increase in taxes for the fire district. Both the truck and the \$4500 building costs were financed by the sale of a portion of the district's property adjacent to the station.

The department's construction of its own equipment has by now become a tradition. It has built a fire truck, the fire station, an alarm tower, recreation and auxiliary buildings, and has rebuilt a panel emergency truck. In October it will have three trucks.

"We have improved the department little by little almost every year," Chief Jack Harper said. "The new truck will give us 50% more water capacity and get us to the scene quicker."

For the volunteers to be able to arrive before a fire begins, a recent fire call indicated the speed with which the department already operates.

Split Second Response

At 7:16 p.m. Harper received a call at the station that a wheat field was on fire at the farm of Harold Schilling, 2780 Tank road, about two miles from the station.

Within 30 seconds Harper had sounded the alarm and warmed up the first truck. By 7:17 he

had driven off to the fire. Ten seconds later James Williams, 4149 Pontoon road, arrived and began preparing the second truck. Within 24 minutes four more firemen had arrived and the Pontoon police had stopped to learn the location of the fire.

Four minutes after the initial call, at 7:20, the second truck left the station. Seventy seconds later Arnold Rutherford, 4035 Garden lane, and Donald Paterson, 4040 Garden lane, had driven off in the emergency vehicle.

Within eight and a half minutes after the fire call, 11 men with three trucks, inulator, respirator and rescue equipment had arrived at the scene of the fire and had it under control. By 7:27 all had returned to the station.

Needing only eight minutes to put out the fire, members of the force then spent 47 minutes cleaning the trucks and equipment in preparation for the next call.

Firefighters Comments

Members of the department had been called from their living rooms and yards to protect

Karlchik, Howard Green, Chester Andersen, Leslie Wilkerson and Gus Falter. The extension will house a third fire truck, due to be delivered in October.

By Press Record Staff Photographers

1000 man-hours of labor, they assembled a 300-gallon, 16-ton truck from parts they retrieved from a junk pile. Later they rebuilt and remodeled a delivery truck donated by Lewis Cionko into the present emergency vehicle. Then they constructed a 30-foot alarm tower adjacent to the station and a recreation building.

"If we don't do it, who will?" asked Charles Kennerly, 3838 Lake street, president of the department. "Someone has to do the job."

"We can't just pass the buck to somebody else," Emergency Vehicle Chief Chester Andersen, 4117 North drive, added. "The same spirit which brings the men to aid in fighting fires has also brought them to contribute to improve their department, its station and equipment."

Members built the fire station in February 1950, the year the Long Lake volunteer fire department came into being. Harper, who lives at 3885 Lake street, Andersen and Fred Bigges have been with the department since its inception.

The department receives about \$4500 from taxes each year, nearly all of which is used for maintenance. Long Lake firemen chucked modestly when a state fire official said recently that \$700 was the minimum amount needed to operate a fire department.

Third Car To Be Added For GC Driver Training

Granite City high school students participating in the driver training program next semester will have air-conditioned cars to use. The board of education Monday night accepted an offer from the Elledge Motor Co. to provide three cars on a no-cost basis, the-wheel training, another car and teacher would not be out of use. The administration also was authorized to hire an additional driver-training teacher.

The new 1965 cars are to be available on or about Oct. 1. The district currently uses two cars with a 12-month payment of \$213 on each, but a no-cost plan was instituted by Chrysler Motors Corp. this year, the auto agency reported.

The program basically is the same as that now in use by the school district, except that the manufacturer will provide the agency with a depreciation allowance to more than offset current expenses and maintenance. The school district still will be required to provide its own gasoline, insurance, license fees, dual

CHECKERBOARD SQUARES, Granite City teenage square dancers, lead the parade Sunday at the third annual Teen Square Dance Festival held at Paducah, Ky.

GC Square Dancers 3 Selected As James Parade At Paducah

The Checkerboard Squares, Granite City teenage square dancers who are becoming more famous on a national basis, were selected to lead the square parade at the third annual Teen Square Dance Festival at Paducah, Ky., which ended this 25th Grand Avenue, engineering week.

They were chosen as the most representative group in planning to conduct exhibition dancing for the parade on the basis of academic records, tests and recommendations of high school principals, guidance counselors and teachers.

Designation as a James scholarship group is the highest academic honor that can be conferred on a fresh-graduate group entering Illinois. They are given an opportunity to work harder and learn more by enrolling in special courses and sections designed to let them use their full academic capabilities. They are permitted to pre-register, make special adjustments in their programs to fit their exceptional abilities, have special honors advisers and use special study rooms. They must maintain a B average in all academic study.

The largest is the band fund with a June 22 balance of \$5320. The vocal music fund had a \$1446 balance. The marquee fund climbed to \$5061 with recent receipts of \$350.

The second highest balance is in the athletic medical fund with \$3026. The student loan fund is at \$2218, the yearbook fund at \$1838, the High World newspaper fund at \$1867, the Girls Athletic Association at \$1296, the band uniform maintenance fund at \$1247 and the tournament fund at \$1374.

All funds had a June 22 balance of \$30,868.

The student employment program at Southern Illinois University seeks to provide part-time work experience, both on and off campus, which relates, if possible, to the student's academic program. An average of 500 students per month were employed by the university under its student employment program.

More Space Provided Students At Monticello

With applications for admission to Monticello College, Godfrey, soaring 70% above last year's mark, college trustees have voted to vacate faculty apartments to make room for more students and to permit the college to accept more applicants during the summer months.

Trustees also approved preliminary plans for a new 120-student dormitory to cost nearly \$750,000. Construction is to begin in October. About two-thirds of the amount already has been donated to the college by an anonymous donor.

Monticello still will remain as a small resident women's college. The long-range projected growth of the college includes safeguards to preserve the established values of a two-year liberal arts residence program for women.

The college in 1963 built, paid for and dedicated a \$2 million performing arts center and inaugurated a cultural affairs series of performing artists at a cost of more than \$100,000.

The college also is to host the Midwest District International Aquatic Arts Festival and probably will be the smallest school ever to hold this extensive festival.

CAHOKIA MOUND BOY SCOUTS from Granite City who left this week for the sixth annual national Boy Scout Jamboree, which begins tomorrow at Valley Forge, Pa. The boys spent this week touring Washington, D. C., before heading for Valley Forge. They are expected to return on July 26. The boys are part of Troop 45, Section Six, headed by Fred Hicke as scoutmaster.

Local Boy Scouts Set For National Jamboree

Thirty-two Granite City Boy Scouts and their leaders are winding up a tour of Washington, D. C., and seven others will spend today at the World's Fair in New York City, before heading for the sixth annual National Boy Scout Jamboree at Valley Forge, Pa., which opens tomorrow. It will continue for a week.

Most of the boys are part of Troop 45, Section Six, headed by Fred Hicke, scoutmaster. They left Sunday by bus.

Seven others are part of Troop 48, Section Four, headed by Scoutmaster Henry Helrich, who left Tuesday by train from Edwardsville for New York.

A special feature of the camp this year will be American Heritage Day on Saturday. Campfire events are planned for the 50,000 scouts attending, formed into 1200 jamboree troops.

Activities at the camp will include field sports events, including archery, angling, orienteering, rifle marksmanship and 22 caliber trap shooting.

Fireworks Planned

Also planned are scoutcraft activities, skill-orama demonstrations and conservation studies. A fireworks display will start the events Friday night.

The senior patrol leader is Eugene Vreelick. Other leaders are Seward VanPetten, Mike McCall, Harry Troop, Charles Burke and Peter Mauer.

Members of Troop 45 patrols are John Kozayak, leader of the rattlesnake patrol, Dee Graham, David Steele, John Relleke, Ron Yates, Steve Willard, Bob Donahue and Mike Gaudette; wolverine patrol, Dennis Kilmer, patrol leader, Warren Evans.

Tri 4-H Club Holds Achievement Fete, Show New Clothing

The Tri 4-H club held its local achievement fete and show new clothing day night at St. John Church of Christ where members modeled the clothes made in their sewing projects.

First-year skirts were modeled by the members, parents and friends who also modeled a wool dress and a navy skirt and jacket. A cotton lace shift, blue wool dress and white coat, and black and white checked wool dress were shown by Elaine and Diana Tadlock and Linda Koser.

A pastry demonstration, "lemon party pie," was given by Sandy Carlie. The club gave a skill "Playmates," which they will present on July 31 at the Madison county fair.

Food projects displayed were snickerdoodle cookies, oatmeal cookies, banana bread, Swedish rice ring and lemon pie by Mary Lehn, Connie Thomas, Elaine and Diana Tadlock and Sandy Carlie.

Refreshments were served to the members, parents and friends on tables decorated by girls taking flower arrangement project in a garden theme with miniature trellises and fence covered with flowers and ivy. Mrs. Raymond Tadlock is the club leader.

THREE-GAITED HORSE, shown here, does three different speeds and is distinguished by short-cut mane and trimmed tail, while the five-gaited horse has five speeds and a full mane and tail. Both will be featured in the Rotary Club horse show here. The horse pictured, "Bronze Masterpiece," will appear here.

GC Woman Named State Pharmacy Historian

A faculty member of the St. Louis College of Pharmacy has been named State Historian for Missouri by the Historical Section of the American Pharmaceutical Association.

Mrs. Phyllis M. Sarich, 2550 Waterman avenue, instructor in microbiology and pharmacy history at the college, will handle liaison for the Historical Section with persons interested in preserving the history of the profession of pharmacy within the state.

She also will work with the state historical societies in obtaining and releasing historical material in regard to pharmacy.

Mrs. Sarich, a registered pharmacist, is a graduate of the St. Louis College of Pharmacy, where she has served on the faculty since 1946.

At the annual convention of the American Pharmaceutical Association to be held in New York City next month, Mrs. Sarich is scheduled to present a paper on the history of the college, which is celebrating its centennial anniversary this year.

Considered by many to be the most beautiful horse in the world, the American Saddle Horse will be a featured performer at the annual Granite City Rotary Club horse show.

The history of the horse dates back to an era before the organization and registration of present-day breeds. Key states in its development included Virginia, Kentucky, Tennessee and Missouri.

Horseback was the principal means of transportation for the colonists, so they decided to develop an easy-gaited saddle horse.

The first saddlebred breeders selected strictly for quality and usefulness; pedigrees were considered of secondary importance and an inferior horse was never kept, regardless of lineage.

The American Saddle Horse is outstanding in its uniformity of type, possessing a high degree of intelligence and an exceptional manner of being true to its way of going. Through selection and training, five distinct gaits or speeds have become the mark of

the horse. They are the walk, slow gait, trot, rack and canter. Competition in the local show will be for three-gaited horses, identified by a short-cut mane and clipped tail, which walk, trot and canter, and the five-gaited horses, characterized by a full mane and tail, which do all five steps.

The horse show will be held Aug. 30 at the Tri-City Speedway.

Jay R. Ashlock Promoted; Serving on Destroyer

Jay R. Ashlock, torpedoman's mate third class, USN, son of Mrs. Oscar Ashlock of 1426 Madison avenue, was promoted to his present rate recently while serving aboard the destroyer USS Ault, while operating with the Sixth Fleet in the Mediterranean.

He is qualified to maintain, repair and overhaul underwater depth charges. Ashlock entered the service in July 1962.

Little Change Seen In Local Coin Shortage

No end to the serious coin shortage in the Quad-Cities is yet in sight, local banking and business officials say, although several long-range proposals are being discussed by the federal government.

Part of a national trend which has accelerated in the past two years, the local shortage has hit both small and large businesses, particularly banks. One official called it the worst shortage he has seen in 28 years as a banker.

Area banks report that they have enough coins to meet the basic needs of their customers, but do not have sufficient amounts to fill large orders.

"Coins are our big problem," a spokesman for the First National Bank in Madison said.

All denominations are in short supply. "We even need pennies," an official of the First Granite City National Bank said. "And silver dollars are nearly extinct." The Granite City Trust and Savings Bank reported that it had difficulty obtaining enough nickels, dimes and quarters.

The American National Bank reports a similar shortage.

Reasons for the shortage include increases in population, the number of vending machines and coin collectors, hoarding and the amount of money the average person keeps on hand in coin, bank representatives say.

The central coin source for all local banks is the Federal Reserve Bank in St. Louis, but the St. Louis bank, which receives coins directly from the federal mints, has been unable to fill needs from partially, a spokesman said.

Less Return Flow

"Our member banks simply have not been returning coins for deposit because they don't have them. So when the mint shipments are exhausted, we have no other coins to distribute," he stated.

In correspondence with Henry D. Karandjoff, board chairman of the Trust and Savings Bank and American National Bank, Assistant Secretary of the Treasury Robert A. Wallace noted that the return flow of circulated coins to the Reserve Bank of St. Louis has decreased

nearly two-thirds over the same period two years ago and nearly three-fourths over what it was last year.

In the first five months of 1962 the return flow was \$10.1 million; in 1963 it was \$11.3 million; and in the first five months of this year it has been only \$3.5 million.

48 Billion Coins

Wallace noted that over 48 billion coins are now in circulation throughout the country.

Capt. Paul E. Stephens, finance officer at the Granite City Army Depot, says the shortage has had its impact at the Depot.

Committees of both the Senate and the House of Representatives are presently meeting in Washington to hear testimony on the coin problem.

A representative of the American Bankers Association has urged that the present system of dating coins be changed, with the current date continued in future years, and that there be a study of the possible use of commercial bank facilities as Treasury adjuncts.

He further proposed that the regulations concerning coin shipments by non-member banks to Federal Reserve banks be removed to encourage return shipments.

Doubled Production

The Treasury Department plans to double the nation's coin production within a year, by operating the two national mints full time seven days a week.

William Martin, chairman of the Federal Reserve System, said the only way to end the

Eagle Park Meeting On Roads, Other Issues

State Sen. Paul Simon will be the principal speaker at 8 p.m. Saturday during a special meeting of the Eagle Park Improvement Association, it was announced today by Cleveland Johnson, association president.

The meeting is to be held at the Church of God in Christ, 304 Hill street, Eagle Park.

Principal purpose of the special session is to head definite plans for several community improvement projects, which include improving area road conditions, school problems and other proposals directly affecting the Eagle Park area.

According to Johnson, who is urging residents to attend Saturday's meeting, other officials who have been invited to speak include Nameoki Township Highway Commissioner Charles Hanks, Venice Township Highway Commissioner Frank Kimack and Sheriff Barney Frankendorf. Several representatives of the Venice school board have indicated they will be present.

Approximately 70 attended an earlier meeting of the association when preliminary plans were discussed for a special three-or-four man committee which will meet with members of the Venice board of education to analyze current problems.

shortage is "to flood the market with coins in order to remove the incentive to hold onto excess coins."

U.S. Senator Paul H. Douglas of Illinois and others have proposed that a third federal mint be constructed in this state.

John McClain Takes Part In Philippine Exercise

Navy Electronics Technician third class John E. McClain, son of Mr. and Mrs. John A. McClain, 2214 Lee avenue, participated aboard the Navy submarine USS Bashaw in "Ligat" a combined sea-assault and air-borne combat training exercise held recently in the Philippines under the direction of the South-East Asia Treaty Organization. "Ligat" is the Philippine word meaning "saved" or "rescued". The operation was designed to train allied forces in the planning and execution of this type of assault.

McClain was the only American in the exercise, and two great-grandchildren.

An obituary notice appears elsewhere in today's issue.

BETHANAIREs, a quintet of students from Bethany Bible College, who will present two performances here Sunday. From left, front row, they are Pam Edmunds, Suzanne Taylor, back row, Gary John, Hubert Book and Douglas Holck. The group will sing in the morning at City Temple Assembly of God and in the evening at the First Assembly of God.

Church Singers Will Perform Here Sunday

The Bethanaires, a mixed quintet from Bethany Bible College, Santa Cruz, Calif., will present two musical concerts at Granite City churches Sunday, July 19. Both concerts will be open to the public.

The group will appear first at the 11 a.m. worship service at the City Temple Assembly of God, 1917 State street, Pastor Allen Randolph, announced. In the evening, the quintet will sing at the 7:30 service of the First Assembly of God, 24th street and Grand avenue. It was announced by Rev. J. Boyd Wolverton.

The group will present a program of quintet arrangements, vocal solos, trios and instrumental ensembles.

The group is made up of undergraduates at the college. They are Pam Edmunds of Hippy Camp, Calif., freshman; and Hubert Book of Albany, Ore., and Douglas Holck of Woodland, Calif., both juniors. Rev. David Peco is traveling with the group, which is making a 15,000-mile tour through 19 states, as tour manager and speaker.

Cuts, Bruises Treated Monday At Hospital

Among those treated at St. Elizabeth Hospital Monday after suffering mishaps was Cynthia Murray, 20-month-old daughter of Mr. and Mrs. Bob J. Murray, 1342 Meridian street, who lacerated her ear and temple, and also suffered facial scratches when she broke a tea-cup.

Others treated Monday and released were Mrs. Louella Terrell, 21, 808 Franklin street, Madison, who mashed a finger in a car door; Ervin H. Mueller, 19, East St. Louis, who incurred abrasions and bruises when he hit a tree stump while water-skiing; Timmy Noud, 12, son of Mr. and Mrs. William Noud Jr., 2025 Madison avenue, who lacerated his scalp after falling and striking his head; and Joyce Harned, five, daughter of Mr. and Mrs. William Harned, 1033 Grand avenue, Madison, who slipped on a rock, cutting her forehead.

Two Charges Remain

Herman Travis, 25, of 2324 East 24th street was fined \$10 and costs on a drunkenness charge and pleaded innocent to charges of resisting arrest and interfering with an officer before Magistrate Gasparovic who set a hearing for July 23. He was arrested Monday at East 25th and Henry streets.

Speeding Charge Filed

Arthur N. Hiedler, 17, of 2350 Benton street was arrested at 7 a.m. Tuesday on Peeling road on a speeding charge. A hearing was set for July 23.

County to Pay Bounty For 217 Groundhogs

The county is paying \$54.25 to six persons who trapped 217 groundhogs in recent months. The bounty is 25 cents for an animal, and claims are submitted to the county board of supervisors.

County Clerk Eulalia Holt said none of the claims involve Quad-City area residents.

Depot Officer Trains For CD Fallout Post

Second Lt. Ronald L. Deutschman, 21114 Lincoln avenue, has completed a special five-day course in "Radiological Monitoring For Inspectors" at the Office of Civil Defense Staff College, Battle Creek, Mich.

Deutschman, who serves as Radiol monitoring instructor at the Granite City Army Depot, will now train other depot personnel in the detection and reporting of radiological fallout.

Since the national civil defense agency was officially placed under the Department of the Army jurisdiction three months ago, an intensified training program for military personnel, coordinated with civilian defense efforts, has been noted by local CD officials.

Those attending the Radiol instructors course included both civilian and military radiological defense officers.

UF Section Leaders Named For Commercial Division

United Fund section chairman for the commercial division will meet Friday noon at the Rose Bowl restaurant to outline solicitation procedures for their group, Raymond L. Henley, chairman, announced today. Henley also announced the names of chairmen for the eight sections within the division. During last year's campaign the 609 Supply Co., will again serve as chairman of the division account for \$29,367. Henley, the finance, real estate and insurance section will be Allen L. Jesse, a vice-president at Granite City Trust and Savings Bank, who will be working in his fifth UF campaign and his second as section chairman. Last year, the 15 firms in the section contributed \$13,547. Herbert Schermer, owner of Schermer's Men and Boy's Shop, also serving in his fifth campaign, will be chairman of the retail merchants section. The \$3

AN ORDINANCE MAKING APPROPRIATIONS FOR CORPORATE PURPOSES OF THE CITY OF MADISON, IN THE STATE OF ILLINOIS, FOR THE FISCAL YEAR BEGINNING MAY 1, 1964, AND ENDING APRIL 30, 1965.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF MADISON, MADISON COUNTY, ILLINOIS:

Section 1. That this ordinance be and the same is hereby termed, "An Ordinance Making Appropriations for Corporate Purposes of the City of Madison, in the State of Illinois, for the Fiscal Year Beginning May 1, 1964, and ending April 30, 1965."

Section 2. That the following sums of money be and the same are hereby appropriated for corporate purposes of the City of Madison, Illinois, and for the objects and purposes herein specified for the fiscal year beginning May 1, 1964, and ending April 30, 1965, said sums to be provided by general tax levy upon all the real and personal property within the corporate limits of the said City of Madison and from revenue obtained from sources other than taxation.

Section 3. That the appropriation herein of amounts for the payments for the payment of unpaid bills or contract liabilities shall not be construed as an approval of any of the said bills or contract liabilities by the City Council, but shall be deemed only as provision by the City Council for a fund for the payment thereof when the said bills have been found to be legal and valid obligations against the City of Madison and have been properly verified, audited and approved, or when any such contracts have been approved and authorized by the City Council.

Section 4. That the amounts provided for herein as salaries for City Officers, except those elected for a definite term, and as compensation of all employees, are hereby fixed as the salaries and compensation to be paid said officers and employees for services to be rendered during the fiscal year beginning May 1, 1964, and ending April 30, 1965.

PUBLIC NOTICE

Schedule of Proposed Change in Rates to patrons of Illinois Power Company.

The Illinois Power Company hereby gives notice to the public that it has filed with the Commerce Commission a proposed change in its electric rates, electric service rules and regulations, and a petition asking that the Commission fix depreciation rates for the electric and gas departments, in the entire territory, and that said change involves (1) placing for electric rate purposes unincorporated areas and small towns under 500 population into the category previously including villages or cities of 500 to 3,000 population, thus providing lower rates for electric customers in unincorporated areas and small towns; (2) reduction in electric service rates for certain residential, general service, and power and light service customers; (3) revision of certain Rules, Regulations and Conditions to conform to the Commission's Electric Rate Schedule and with respect to underground service; (4) an increase in depreciation rates for electric properties, and approval of present depreciation rates for gas properties and accumulated provisions for depreciation of both the electric and gas utility plant in service as shown in reports to the Illinois Commerce Commission.

A copy of the proposed change in the Company's Electric Rate Schedule may be inspected by any interested party at any business office of this Company, or by addressing the Secretary of the Illinois Commerce Commission at Springfield, Illinois. The hearing on the petition relating to depreciation rates and the accumulated provisions for depreciation of both the electric and gas departments has been set by the Commission at 10:00 A.M. (EST) on September 1, 1964, at its office in Springfield, Illinois.
